The football team of the university entertained at a banquet at the Alta club Friday evening. About sixty were seated at a table made in the shape of a "U," which was prettily decorated with red and white and carnations, the colors of the class, while around the room were many flags of different universities. Many toasts were given.

The senior preparatory students of the university entertained at a pretty dancing party Friday evening in the Ladies' literary club house. The rooms were decorated with the class colors. The chaperones for the evening were Dr. and Mrs. J. T. Kingsbury, Prof. and Mrs. Fred W. Reynolds, Prof. and Mrs. L. E. Young and Prof. George Hedges.

MOTIVE FOR BLOODGOOD SUICIDE UNEXPLAINED

BALTIMORE, Dec. 6.—The body of Clara Bloodgood, the actress who committed suicide by shooting in her room in the Hotel Stafford last night, was taken to New York today by her husband, William Lambier of New York. Mr. Lambier, through John Emerson, stage manager of the company of which his wife was a member, stated that the note left for him by his wife gave no clue as to the motive for her death. It merely referred to some business matters. Mr. Lambier could not, he declared, assign any reason for the deed. Mr. Emerson could only ascribe it to the fears of a possible physical breakdown, a large number of one night stands having affected her nervous system. The members of "The Truth" company left for New York City later. It was learned today that Mrs. Bloodgood bought two revolvers here. But one was found, so far as known, after her death.

NATIONAL COUNCIL OF COMMERCE PERFECTED

WASHINGTON, Dec. 6.—The National Council of Commerce, created at the conference of chambers of commerce and boards of trades yesterday, perfected its organization today and "perfected" since its inception.

BRAZILIAN STEAMER LOST. THIRTY PERSONS PERISH

RIO JANEIRO, Dec. 6.—The Brazilian steamer *Guarani*, Captain Ramon, 550 tons, has gone down off Paranaqua, Brazil, as a result of a collision with an unknown vessel. Thirty persons on board the *Guarani* were drowned.

When to Go Home.
From the Bluffton, Ind., Banner:
"When tired out, go home. When you want consolation, go home. When you want fun, go home. When you want to show others that you have reformed, go home and let your family get acquainted with the fact. When you want to show yourself at your best, go home and do the act there. When you feel like being extra liberal, go home and practice on your wife and children first. When you want to shine with extra brilliancy, go home and line up the whole household." To which we would add, when you have a bad cold, go home and take Chamberlain's Cough Remedy and a quick cure is certain. For sale by all druggists.

Is Too Much Money Harmful to American Women?

"When our foreign critics speak of the American woman they have in mind the wives and daughters of unwisely chivalrous men, who have blindly allowed their women folk to pursue ignorant and half-baked ideals of emancipation."

"Almost without exception, her attempts at a career have been futile, and often they have been notably, even pathetically, ridiculous."

"Lacking all vital contact with life, ignorant of all the deeper wells of human impulse, her mind and her very good looks are as superficial and as trivial as her activities."

A DISFIGURING ITCHING ECZEMA

Spread from Body to Face—Sufferer Was Ashamed to Go Out—Scales Formed and Her Skin Became Parched and Highly Discolored.

WAS CURED BY CUTICURA AFTER YEAR OF TORTURE

"I was suffering with eczema for a year and had tried all kinds of medical treatment but without any results. Small pimples broke out around my waist-line and where the clothing was tight on the body. These pimples began to enlarge and thicken until they formed in patches. Then it worked upward until my face was covered. At first I did not notice it much until I became warm from working. Then it seemed almost unbearable as the parts seemed inflamed and itched so that I could hardly keep from scratching it all the time. The places were rather scaly and became moist when rubbed. Afterward the skin seemed parched and highly discolored. I remained indoors as I was ashamed to be out in company. I had suffered for about seven months before I tried Cuticura Soap, Cuticura Ointment, and Cuticura Pills. After I had used them a week, I found great relief and I continued for five weeks, not missing a single day and now you could not tell I had ever had eczema. My complexion is as good, if not better than ever, and I cannot find words sufficient to the Cuticura Remedies justice. Minnie Hutchins, La Cygne, Kan., Apr. 19 and 30, 1907."

CURED 28 YEARS AGO Of Running Sores on the Head by Cuticura.

"When I was about eight years old, I think, my entire head was a mass of running sores that discharged awfully. They had to cut all my hair off. I took doctors' medicines but they did me no good, so some one told my mother to try Cuticura, so she did, and it cured me. I am thirty-six now, but the humor has never returned. Mrs. Lillian E. Minkin, 8 Vernon St., Providence, R. I., May 6, 1907."

Complete External and Internal Treatment for Every Humors of Infants, Children, and Adults consists of Cuticura Soap (5c.) to cleanse the skin, Cuticura Ointment (5c.) to heal the skin, and Cuticura Resolvent (5c.) to the form of Chocolate Cream Pills, 25c. per box of 60 to Purify the Blood. Sold throughout the world. Potter Drug & Chem. Corp. Sole Props., Boston, Mass.
